Tree Page

Image 1 : règles pour la création de personne dans l'arbre

Before creating your family tree, please provide the following required information:

- First Name *
- Last Name *
- Date of Birth *
- · City of Birth *
- · Country of Birth *
- · Gender: Choose either "Male," "Female," or "Other."
- · Privacy: Choose either "Public," "Private," or "Restricted."

The tree owner's node will be highlighted in red, male individuals in blue, and female individuals in purple.

Nodes with '(user)' after their first and last names represent users associated with the site.

Fields marked with * are mandatory. Additionally, please select an option for both the Gender and Privacy settings.
